

Dear David,

Thank you so much for participating once again in this year's annual Corporate Challenge, Dress Me for Success. Your continued energy and support has helped raise over \$18,000 this year, which translates to putting another 120 women through the DFS program.

I am privileged to work with companies such as Klein Lyons for such a wonderful cause. On behalf of the Board, Staff, and an amazing team of Volunteers, I extend our sincere gratitude for another successful Challenge event. I hope you will continue to join us in future campaigns.

Sincerely,  
Lydia
